

Virtual Workshop for
Building Vocabulary
Notetaking Guide
Grades K-2

#1  **STOP AND DO**

How can roots-based vocabulary instruction benefit your students and enhance literacy learning in your classroom?

#2  **STOP AND DO**

Select a lesson from Unit 2 in your Teacher's Guide.
Read the Teacher and Student Background page as well as the Word Family Words.
Write down one new thing that you learned after reading these sections. Why are these sections important?

#3  **STOP AND DO**

How does the predicable structure of the lesson plan benefit you and your students?

Grades K-2

#4  **STOP AND DO**

Go back to the lesson you selected from Unit 2.

What part of the lesson plan or Teacher's Guide do you find most helpful?

What in the Student Guided Practice Book pages do you think students will find most exciting?

#5  **STOP AND DO**

Write a riddle for the word *old*. Or, choose your own word from the *-old* to write your riddle about.

#6  **STOP AND DO**

Go to tcmpub.com/bv-games. Click on your grade level. Select a game to play.

Which game did you play? What will your students like most about the game?

How will you use the digital resources in your classroom?
