Jesse and the Snack Food Genie
 by Erik Talkin
 9781631987403

"I can relate to this book because I find snacks easier and sometimes more fun to eat, but I'm thankful that I also enjoy cut-up veggies and fruit and understand how meals keep me full for longer. I need to check out the other books from Food Justice that deal with food and a monster and phantom – I believe that all other kids do, too!"
 —Lydia, age 9, Kids' Book Buzz
