In My Feelings
by Vidal Annan
9798885540001

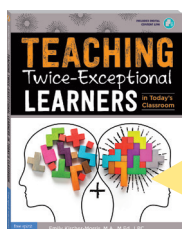

"A lucid, basic introduction to key emotions, their positive and negative effects, and their management."
—Kirkus Reviews

Teaching Twice-Exceptional Learners in Today's Classroom
by Emily Kircher-Morris
9781631984853

Paula's Patches
by Gabriella Aldeman
9781631987335

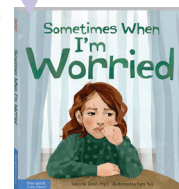

"Sensitive to children's fear of ridicule, the story shows how a creative solution for one person's problem can have positive ripple effects, helping others as well."
—Booklist

"A good resource for district and building administrators to use with all staff members to continue conversations and begin implementing some simple strategies to develop a deeper understanding of who students are as individuals and learners."
—School Administrator

"An empowering, soothing aid for children combatting worry."
—Kirkus Reviews, Starred Review

Blurbs/Endorsements

Advance Praise for In My Feelings (9798885540001)

"This book is a major accomplishment that will be read by teens and will be a core resource in the youth development field. A major accomplishment." —Stephen Tosh, Executive Director & CEO, Boys' Club of New York

Advance Praise for Rules! Rules! Rules! (9781631987229)

"Malcome Munene does a wonderful job of explaining the why behind the importance of rules in a way that makes it easy for young people to understand and connect with. I'm very grateful to have this book as a resource as an educator, and as a mom." —Natalie Peterson, elementary school teacher, Minneapolis, MN

"I loved the book! This book is easy to follow and fun to read to help kids understand reasons for rules." —Dustin "Russ" Russell, social studies teacher, Minneapolis, MN

Advance Praise for 50 Strategies for Integrating AI into the Classroom (9798765947104)

"As a teacher and parent, I am equally optimistic and terrified of where I see AI disrupting education and childhood. With Donnie Piercey showing us the path toward ethical and effective use of these powerful tools in the classroom, my sense of optimism is growing stronger."
—Kevin Brookhouser, M.Ed., author of *The 20Time Project: How Educators Can Launch Google's Formula for Future-Ready Innovation*
